We form leaders who form other leaders

We believe transformation begins with the Word of God. The Institute's vision is to prepare leaders who:

- ✓ Study the Bible in depth
- ✓ Understand the process of discipleship
- ✓ Serve actively in the local church
- ✓ Engage in national and international mission
- ✓ Equip others for every good work

We do not just train students. We form people who will form other people through the Word of God.

WHAT STUDENTS SAY

The Institute did not just teach me theory, but also how to apply what I learn. I discovered the art of teaching and how to lead a small Bible study group.

Erik Brewer — graduate, pastor

As a Taekwon-Do coach, I use the knowledge gained at the Institute to share the Gospel. I teach inductive study in the groups I lead.

Igor Filimon — graduate, teacher, deacon

I made a decision for my life: to attend the Institute's sessions every year and to keep investing in my training as a Bible teacher.

Irina Panainte — graduate, teacher
